Data for a
Virginia Commonwealth Agency

shows real savings of

$82,000 on a $331,000 spend

or 25% over a year.

Renewable cartridges are...

- inspected for physical damage
- disassembled
- cleaned
- FULLY remanufactured using all new components
- use new OEM quality toner

We guarantee that our renewable cartridges yield the same page count as an OEM cartridge in a like for like scenario.

Our supervising staff has many years of engineering **EXPERIENCE** working for HP, Canon and Xerox.

If one of our renewable cartridges should fail we will replace it **free** of charge.

If it should fail and damage your printer, we will repair or replace your printer **free of charge.**

Our Quality Promise

HP states on their website: "The use of non-HP print cartridges **DOES NOT AFFECT** either the warranty or any maintenance contract purchased from Hewlett-Packard"

Federal Law states the use of a non-OEM cartridge has **NO EFFECT** on the printer warranty with the manufacturer. (Magnusson-Moss Warranty Act 1975)

Renewable Printer & Toner Cartridges

WE RENEW. YOU SAVE.

WWW.VCEINK.NET Main: (804) 743-4100

Easy to Order

Renewable printer/toner cartridges are **easy** to order and are **delivered fast.**

Save Money

Based on a recent competitive bid, VCE's renewable printer/toner cartridges **saved 33%** over the lowest OEM supplier's bid price.

Change Lives

Your purchase buys more than a **quality product.** It also funds a job program that provides marketable job skills for offenders.

Help save the environment and money by using renewable ink cartridges.

Top Quality

VCE uses new, OEM quality toner and we replenish the cartridge with exactly the same volume as the OEM cartridge. We **guarantee** that our renewable cartridges yield the same page count as an OEM cartridge.

Convenient

Recycling is made easy. **Free pre-paid shipping labels** for empty cartridges.
